

Final Exam

Please answer all of the following questions in the answer sheet. (Total marks 50)

- “Freshers and seniors are two completely different creatures. Your life as a freshman is supposed to be different from your life as a senior.” write a contrastive essay between your first and your last year in the university.
- “Industry and society depend on engineers for the design and production of goods that meet customer needs and are safe, reliable, efficient, and competitive in the global market.” Write an essay about a process of manufacturing a device that you did or about to do as a graduation project.
- “It takes a little while to get used to a world without semesters. All your life, you've been accustomed to regular turnover.” Write an essay explaining what you have as a future plan.

Best of Luck
